Thanks Sandy.

Have read through this and it is fine.

David

David

Please find attached the two draft FOI responses we recently discussed with Johanna. Alison has checked all the values in each of the responses. The other two attachments are the tender documents which are part of one of the responses.

Grat3eful if you could confirm wording is acceptable.

Thanks
Sandy

Importance: High

Hello Sandy,

We would be grateful if you could advise as to the current status of a response to the two requests listed above.

Please be advised we have received requests for a review for both of the noted requests (the applicant is unhappy that he has not received the information within the legislative 20 working day timescale).

Thanks

Clare
