[FOI Request 2012/233 – F0246157]

Dear Mr McNeel,

**Re: Freedom of Information (Scotland) Act 2002 – Request for Information**

Thank you for your email which was received by the University on 26 November 2012 timed 11:49 hours requesting a Review of our actions, as detailed below.

**I am writing to request an internal review of University of Glasgow's handling of my FOI request 'Documents used in responding to Fol Request (Your Ref: FOI 2012/157 – F0219815)'.**

**Responding to the request for the review of my original Fol request you claimed:**

**“Please be advised the delay in responding to your original request was due to the absence of key staff on annual leave.”**

**In your recent response I see no documented evidence supporting this claim. I would have expected to see, at least, an email explaining the reason for the delay.**

**In addition, you have not included all email exchanges regarding my original Fol request. For example, in your response to another one of my Fol requests you have included email exchanges between Sandy Macdonald and Tom McAra regarding the wording of their reply. I saw no trace of these emails in your recent response.**

**Please supply all information as requested.**

**A full history of my FOI request and all correspondence is available on the Internet at this address:**

The University acknowledges receipt of your Request for a Review and confirms that a response to your request for Review will be sent to you promptly; and in any event not later than 27 December 2012, as required under the terms of FOISA. The University will contact you if the University requires any further information.

Yours sincerely,

Data Protection and Freedom of Information Office
