2021/127 - Keyword search of thefts/burglary

Although excess cost removed the forces obligations under the Freedom of Information Act, as a gesture of goodwill, I have supplied information, relative to your request, retrieved or available before it was realised that the fees limit would be exceeded. I trust this is helpful, but it does not affect our legal right to rely on the fees regulations for the remainder of your request

In response to your recent request for information regarding;

Under the Freedom of Information Act, please could you provide me with the following information:

- **The number crimes recorded in between January 1, 2016 and December 31, 2020, where:**
 - **Crimes classified as Acquisitive Offences**
 - **Recorded as having occurred in the North Wales area**
 - **Where the "General Property" was recorded as "Stolen"**
 - **Where the General Property Common Name / Remarks contained the word %pup% or %dog%**
- **For each of the recorded crimes returned using the above search criteria, please provide the year in which it took place, any information recorded as a description of the offence, such as remarks, (e.g. description of item stolen, where it was taken from, whether the item has been recovered), and the outcome recorded for the crime report**

We have been unable to extract any data relating to your request due to the specific nature of the request.

Please find attached a recent similar request, where 544 records have been returned. To check 544 records and attempt to validate the data, and get any further details required (i.e. description of the offence, such as remarks, (e.g. description of item stolen, where it was taken from, whether the item has been recovered) would exceed 18 hours. Therefore, the cost of providing you with the information is above the amount to which we are legally required to respond i.e. the cost of retrieving the information exceeds the 'appropriate level' as stated in the Freedom of Information (FOI) Fees and Appropriate Limit regulations 2004.

Consequently, in accordance with the FOI Act 2000 the information you have requested is exempt under Section 12 (1), and this letter acts as a Refusal Notice under section 17 (5) of the legislation.

Please note: the data in this response does not represent and/or relate to the number of Dog Thefts recorded by North Wales Police.

This response is a key word search of recorded Theft/Burglary offences. It will include offences that in no way relate to the theft of a dog.

There are also some duplicate records (8 in total, indicated with a 2 or more in the "Duplicate" column), due to 2 or more individuals having been recorded as "Arrested".

THIS INFORMATION HAS BEEN PROVIDED IN RESPONSE TO A REQUEST
UNDER THE FREEDOM OF INFORMATION ACT 2000, AND IS CORRECT AS AT 15/02/2021

2021/132 - Keyword search of thefts/burglary

In response to your recent request for information regarding;

Please disclose the number of arrests and charges each year for the last five years relating thefts involving dogs.

Please also include a breakdown of the ages, gender, ethnicity and nationality of the individuals.

Please ensure the format separates figures for arrests and charges and if figures for charges are not available please provide only figures for arrests.

For clarity, please consider "the last five years" as the last five years to date of the request being made (09/02/2021)

Clarification requested

You are more than welcome to submit a request by key word search, but you will have to supply us with a list of the words you would like us to search on.

There would then be the caveat on the response that the data will not be accurate or complete. This is because it will not have captured every theft, and we will not be able to go through the data and validate the information within the 18 hours. The response to your request would literally be the number of thefts with those key words in.

Clarification received

Thanks. Here's a list:

**Dog
Spaniel
cockerspaniel**

springer
 lurcher
 setter
 terrier
 "jack russell"
 bulldog
 Chihuahua
 pug
 labrador
 retriever

Please note: the data in this response does not represent and/or relate to the number of Dog Thefts recorded by North Wales Police.

This response is a key word search (as per the above list) for all recorded Theft/Burglary offences. It will include offences that in no way relate to the theft of a dog.

There are also some duplicate records (8 in total, indicated with a 2 or more in the "Duplicate" column), due to 2 or more individuals having been recorded as "Arrested".
