Police forces in the United Kingdom are routinely required to provide crime statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the crime data. It should be noted that for these reasons this force's response to your questions should not be used for comparison purposes with any other response you may receive.

Notes

Live data was extracted from METMIS, NSPIS and METSTATS on the 16th July 2015.

Offences of Domestic Abuse. This is a count of all confirmed and classified notifiable offences where there is present on the crime record at least one branch flag which indicates Domestic Abuse.

The branch flags searched for in relation to Domestic Abuse are;

| | |
|----|--------------------------|
| DI | DV Same Sex relationship |
| DV | DOMESTIC INCIDENT |
| DX | DOMESTIC INC.- RESOLVED |

Please note that DX is a historic flag and no records created in this reporting period featured its use.

People Proceeded Against. This is a count of accused screens where the proceedings action has been taken in the date period required. Please note this means records with people proceeded against in the required period may have been recorded before the start of the required period.

The arrest data was extracted from NSPIS and this is purely a count of custody records created during the period where the record is marked as "Domestic Violence Related". Please note that an individual may have been arrested multiple times throughout the reporting period and as such this report should not be considered a count of unique persons arrested for domestic abuse.

Police forces in the United Kingdom are routinely required to provide crime statistics to government bodies and the recording criteria is set nationally.
