Dear Mr. Bruno,

Freedom of Information Act 2000

Thank you for your request for the following information:

What improvement schemes and their costs were carried out in Drumtara, Ballymena in each year from 2000 onwards?

Your request was received on 13 August 2020 by email and we are dealing with it under the terms of the above legislation.

In line with government advice on the management of the coronavirus outbreak, it has become necessary to make changes in the way we deliver our services. These changes are intended to protect our customers and our staff while ensuring we continue to provide essential services. As members of staff are working from home where possible, we are currently limited in our ability to complete responses to Freedom of Information requests. Whilst it is our intention to issue a response to Freedom of Information requests within the statutory timeframe, due to the current situation, we are limited in our ability to do so.

Given the unprecedented times that we are all working and living in, we would ask for and appreciate your understanding in this matter.

In some circumstances a fee may be payable, but if that is the case I will let you know the likely charges before proceeding.

Thank you.

Yours sincerely,

Girle Nuguid
