Dear Dr Smith

Request for Information – ATISN 8952

Thank you for your reply of 7 November refining and replacing your original request of 6 November.

My understanding of what you are now asking for is the finalised documentation used in the Welsh Government's (WG's) implementation of the Dylan Thomas centenary. This includes documentation (reports, policy documents etc.) regarding matters such as the WG's view on the key objectives of the centenary celebrations, the political, economic and cultural rationale of such objectives, the resulting strategy and policies planned and implemented and any information relating to final costs and expenses.

Please let me know if this is not an accurate description of the information you have requested.

Yours sincerely
