Dear Mr Soames

**Information request**

**Reference number:** FOI2020/00677

Thank you for your email of 11 June 2020, in which you requested the following information:

*I understand the signalling works are being developed in the following areas. I would like to request details of the scope of each project and details of its expected timeline, this can be by way of pre existing documents where they exist. For the avoidance of doubt as a minimum this should include the geographic boundaries of the scheme, details of whether the scheme is like for like or includes any enhancements, and where control of the signalling in the area will rest on completion.*

*Middlesbrough  
Harrogate-Poppleton  
Selby and Gascoigne Wood  
South Kirkby*

I have processed your request under the terms of the Environmental Information Regulations 2004 (EIR). The EIR, like the Freedom of Information Act 2000 in the UK, allows people to access information held by public authorities<sup>1</sup>. The EIR specifically provides a route of access to environmental information. I can confirm that we hold some of the information you requested, please see the below table which addresses your questions; the table also indicates where the scope and further details are not yet determined.

---

<sup>1</sup> Please see <http://www.legislation.gov.uk/uksi/2004/3391/regulation/2/made> for the definition of environmental information. Any information that falls within this definition is exempt from disclosure under s.39 of the Freedom of Information Act

It is important to note that the four re-signalling projects these are still in the stages of development and no final decisions on this work has been made. The information provided in response to your request is taken from the Route Requirements documents for Middlesbrough and Whitehouse and South Kirby and from the business plan for Harrogate, Selby and Gascoigne Wood.
