Dear Ms Bishop,

Your request was received on 8 November 2019 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

*How many applicants has each college received for economics this year?  
What percentage of economics applicants have been invited to interview over the past 3 years?*

The information you have requested, which is held by the University, is due for future publication on the University's website, via the interactive graph generator, here:

<https://www.undergraduate.study.cam.ac.uk/apply/statistics> and is therefore exempt under section 22(1) of the Act. As this is a qualified exemption, the University has considered whether, in all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information. The University considers that, while there is an understandable general interest in applications, the extensive publication arrangements that are in place are sufficient to meet that interest.

Information about interviews is not held; all interview processes for entry to undergraduate degree courses at the University are set and managed locally by each of the individual Colleges, each of which is a separate legal entity and public authority under the Act.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request an internal review of this decision, you should contact us quoting the reference number above. The University would normally expect to receive your request for an internal review within 40 working days of the date of this letter and reserves the right not to review a decision where there has been undue delay in raising a complaint. If you are not content with the outcome of your review, you may apply directly to the Information Commissioner for a decision. Generally, the
