Thank you for your request for information which was received on 17th February 2020, which is detailed below with the Trust's response.

You have requested a response from the merged trust Frimley Health NHS Foundation Trust; this includes a response from Frimley Park Hospital (FPH) and Heatherwood and Wexham Park Hospital (HWPH).

	Information Request	Trust Response
	Please could you tell me on a year by year basis going back over the past five years:	
1	How many people in total had a course of ECT treatment at Wexham Park Hospital for each year	This request has been reviewed and due to low numbers for every question this questions is going to be exempted under section 40(2) as if the figures were disclosed it could potentially identify a patient.
2	How many had ECT whilst on a section 3 treatment order for each year	
3	How many had ECT against their will for each year	
4) How many had so called 'emergency' ECT treatment either on admission or whilst in hospital for	

	each year
