Dear Mr Whiteside

I am writing in respect to your recent application for the release of information held by the Authority.

We have carried out a further search and confirm we do not hold any information in relation to the proposal to develop this piece of land.

We have 1 file entry for 'Housing Allocation' CFRMIS file number G0586884. This is located at the centre of the development in question. There is no activity recorded on this file. There are no other premises recorded in this area. As such, we have no information to provide

This is not in any way unusual as the Fire Authority is not a statutory consultee under the Town and Country Planning Act, and there is no requirement for the Building Control Body to consult with the Fire Authority for developments of private dwellings as the Fire Safety Order does not apply.

If, for whatever reason, you are unhappy with our response to your application you are entitled to pursue any dissatisfaction through Hampshire Fire and Rescue Service Complaints Team. The Complaints Team can be contacted by writing to Hampshire Fire and Rescue Service, Headquarters, Leigh Road, Eastleigh, Hampshire, SO50 9SJ.

Should you still remain dissatisfied you can appeal against the decision by contacting the Information Commissioner, Wycliffe House, Water Lane, Wilmslow SK9 5AF.

If you feel it would be helpful, may we once again offer the opportunity for you to discuss this matter with us by telephoning or visiting us, please see details above.

Yours sincerely
