Dear Sir

**RE: Brislands Lane, Four Marks, Alton – Notification of Timber Frame Construction**

Concerning the above, please find enclosed for your attention and use a copy of the proposed site planning layout, showing the development.

We have clearly identified the units which are intended to be of Timber Frame construction, please be advised we intend to commence erection of these units in the near future and it is therefore our intention to have timber frame components on site in due course.

Should you require any further information concerning the development or wish to visit the site or raise any issues, please do not hesitate to contact me.

Yours sincerely

**Ted Webster**  
**Land Director**
