Subject: IRMS event - speaker confirmed

Liz, Rob.

As promised earlier I have asked around to see if anyone would like to cover the IRMS keynote.

Louise has volunteered to do it.

Rob - if someone from Comms can be assigned to support Louise in her preparations. Otherwise I'll leave you to liaise direct with Louise.

Thanks as always to Louise for answering the call for assistance and enabling us to keep the show on the road :-)

Cheers
Paul
