Dear Ms Blackburn,

Freedom of Information Request Reference FOI-1532956

Thank you for your request dated 18 September to the Department of Health and Social Care (DHSC), a copy of which can be found in the accompanying annex.

DHSC holds information relevant to your request. However, it is being withheld under section 40(2) of the FOIA, which provides for the protection of personal information. Section 40 prohibits a public body from disclosing personally identifiable information, as doing so would contravene data protection principles.

Please note that the Department for Education (DfE) publishes details of each family hub site in England. In data published on 19 February, there are currently around 400 family hub sites. DfE will update this list as local authorities set up more family hubs.

Please see: [List of family hub sites - GOV.UK \(www.gov.uk\)](http://www.gov.uk).

If you are not satisfied with the handling of your request, you have the right to appeal by asking for an internal review.

This should be sent to freedomofinformation@dhsc.gov.uk or to the address at the top of this letter and be submitted within two months of the date of this letter. Please remember to quote the reference number above in any future communication.

If you are not content with the outcome of your internal review, you may complain directly to the Information Commissioner's Office (ICO). Generally, the ICO cannot make a decision unless you have already appealed our original response and received our internal review decision.

You should raise your concerns with the ICO within three months of your last meaningful contact with us.

Guidance on contacting the ICO can be found at <https://ico.org.uk/global/contact-us> and information about making a complaint can be found at <https://ico.org.uk/make-a-complaint>.

Yours sincerely,

Freedom of Information Team
