Subject: Loan Charge Advice - latest version
Attachments: CHX CON advice-Response to Loan Charge Review MASTER.docx; CHX CON advice-Response to Loan Charge Review MASTER CLEAN (003).docx; LC cover note MASTER.docx

Lindsey, Carol, Mary,

Please find attached the latest version of the Loan Charge advice for a Conservative government (with thanks to Lindsey for fast comments earlier this evening).

I have attached:

- Covering note for the advice
- Master copy of the advice – with comments/tracks
- Clean version of the master copy – without comments/tracks

I am still working through the Labour advice – mainly reconciling this to the Conservative advice – and will send that on in due course, but wanted to make sure you had sight of this now.

[REDACTED] will be back in the driving seat in the morning and can take on any further comments at that point – but do let me know if there's anything you'd like to feed in this evening (I'll be here for until 9pm or so).

Many thanks,

[REDACTED]
