Good Afternoon [REDACTED]

I am emailing regarding being able to run patient record audits from the LV system.

I have queried this with our second line team and Unfortunately there is no way to audit anything from the LV system, Sorry for any inconvenience caused.

Kind regards,
Mollie.

If you feel I have been helpful today, I would really appreciate you rating the service you received via the ECR tracker. This can be done by clicking on the EMIS Health Tracker icon on your Emis Health homepage. Choose the ECR in question and then click on the Score icon.
