Information Requested:

Please can you provide me with the number of applications submitted by each employer name (Box 14), in the 12 month period ending September 2011, grouped by registered/umbrella body name and then split by the type of application (paper/electronic).

I recognise that this may be a large volume of information, but would ideally like it in Excel format. If any employer names are regarded as personal information (as defined under the Data Protection Act) then please can they be redacted as necessary.

Clarified - apologies, I appear to have been looking at an older form. I was referring to the employer name, whatever box that may now be.

Response:

Please find attached Excel spreadsheets detailing the information you have requested.

Please note – due to the volume of data we have had to zip each file alphabetically by organisation name. These files refer to applications received between October 2010 and September 2011 inclusive.

Please also be aware that there may be employer names that appear under various Registered Bodies and there are anomalies owing to data input such as spelling mistakes as this section of the application form is a free text field.

If you experience any difficulty opening the documents please advise and I will arrange for this information to be provided to you via an alternative method.
