Dear Junaid Rahim

**Freedom of Information Act 2000  
Request for information**

Thank you for your request for information under the Freedom of Information Act 2000, detailed below, which was received on 2<sup>nd</sup> July 2012. Our response is in bold italics:

**Request**

Please provide a list of all properties within your area which are currently classed as vacant for business rates purposes which have a rateable value of over £20,000.

Please provide the address of the property, a description (ie shop, office, factory etc), the contact details of whoever is responsible for the property (ie landlord/owner, tenant who has vacated but still has a lease in place etc) (kindly note where this is an individual I do not require this information, please blank out where appropriate), the RV and the date that the property was last occupied.

If any of the above make it impossible for you to provide the information, please provide as much as you are able to.

I require this information in Excel format.

**Response**

***Please see the attached spreadsheet.***

I hope this is helpful to you and any feedback from you would be welcomed.
