Dear Mr Bird,

Freedom of Information Request Reference FOI-1096301

Thank you for your request dated 30 August 2017 in which you asked the Department of Health (DH):

"Can you give details of all of the public's NHS energy providers, for example I know TOTAL provided every single NHS establishment with every power need (oil, elec, gas). As I worked for them for many years."

Your request has been handled under the Freedom of Information Act.

The DH does not hold the information you requested, as we do not collect information on providers. Crown Commercial Services, part of the Cabinet Office, provides energy contracts to approximately 93 per cent of the NHS. You may therefore wish to contact it directly, as it may hold information relevant to your request. The email address is: foi-team@cabinetoffice.gov.uk.

If you are not satisfied with the handling of your request, you have the right to appeal by asking for an internal review. This should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to the address at the top of this letter, or the email address at the end of this letter.

Please remember to quote the reference number above in any future communications.

If you are not content with the outcome of your internal review, you may complain directly to the Information Commissioner (ICO) who may decide to investigate your concerns. Generally, the ICO cannot make a decision unless you have already appealed our original response, and received our internal review response. The ICO will not usually investigate concerns where there has been an undue delay in bringing it to their attention. You should raise your concerns with them within three months of your last meaningful contact with us.

The ICO can be contacted at:

The Information Commissioner's Office
