H s40

I met with s40 the s40 contact in COPFS on Thursday.

I had a very good discussion with s40 I explained that s40 from COPFS Policy and s40 from Scottish Government had (to my knowledge) some previous dealings with Westminster colleagues. s40 advised me that this must have been some time ago, as s40 no longer works in policy. s40 is our designated liaison point now for Companies House offences.

We shared guidance and ideas on best practice, still very early stages of a process being developed but she was very supportive and genuinely interested.

Kind regards

Morning s40

Hope you are well. How did your chat with COPFS go? I am mindful that I am still to give an update to my Cabinet Secretary following our meeting with Police Scotland colleagues. As I mentioned, I'd like to include the thinking of COPFS in my note.

Regards.

Hi s4

I am seeing copfs on Thursday and didn't want to give you the name of the person who UK BEIS have been dealing with until I have had my meeting with different fiscal staff myself as I believe they do not know of the other conversations. Would you mind if I give you the names of both the BEIS contact and my contact on Friday after I have had those conversations.

Hi s40

Hope you are well. It was good to catch up recently and chat through what's been going on re the PSC regime and SLPs. I'm looking to put up my note to s40 (minus any stats) and would like to include something on the discussions with the Crown Office. Do you have the contact details of the person in the Crown Office with whom you are in contact?

Regards.
