Dear Karthik Ram,

Your request was received on 12 May 2019 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

Could you please provide me with the number of people that have reapplied for Engineering over the last five years including the number of applications from re-applicants, number of re-applicants interviewed and the subsequent numbers of offers made to re-applicants, broken down by college and by home/international/EU. Can you also provide the ENGAA score (in all section, both raw and reported, separately) by successful re-applicant for those re-applicants with offers.

This information is attached insofar as it is held (information about interviews is not held; all interview processes for entry to undergraduate degree courses at the University are set and managed locally by each of the individual Colleges, each of which is a separate legal entity and public authority under the Act).

Please note that the attached document should not be copied, reproduced or used except in accordance with the law of copyright.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request an internal review of this decision, you should contact us quoting the reference number above. The University would normally expect to receive your request for an internal review within 40 working days of the date of this letter and reserves the right not to review a decision where there has been undue delay in raising a complaint. If you are not content with the outcome of your review, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner cannot make a decision unless you have exhausted the complaints
