Dear Karthik Ram,

Your request was received on 12 July 2019 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

For the current UCAS cycle, I would like to have the following data with respect to applicants who had applied for engineering from Singapore:

1. Achieved/Predicted Scores of applicants 2. College they had applied to 3. Subjects taken by the applicants 4. Their ENGAA scores (seperated into raws and reported scored for section 1A, 1B and 2) 6. Their interview scores 7. If they were admitted, rejected or pooled. Do list if the pooled application was successful and the college which admitted them.

The information you have requested, while held by the University, is refused under section 12(1) of the Act. You have requested a very wide range of records. The University has estimated that the time required to locate, retrieve and extract the information you have requested would considerably surpass 18 hours of staff time charged at £25 per hour, and therefore that your request exceeds the appropriate limit of £450 as set out in the Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulations 2004.

For the purpose of this application of section 12, the University has aggregated this request (received on 12 July 2019) with your two other requests (received on 10 and 12 July 2019) as permitted under Regulation 5 of the Fees Regulations so that the estimated cost of complying with this request is taken to be the total costs of complying with all of them. Your requests were received within a period of sixty consecutive working days and are requests that relate, to any extent, to the same or similar information.
