Dear Sirs,

Re: Case Reference Number FS50671293

I write following correspondence from the Information Commissioner's Office dated 7th August 2017 and it has come to our attention that documents were erroneously not attached with my previous letter to you dated 11th April 2017.

Firstly I would like to sincerely apologise for this error in not providing you with the three attachments.

These attachments that should have been sent to you included:

- copy of the Conveyance dated 10th May 1938
- copy of the land in question
- copy of the Cardiganshire County Council epitome.

It is noted that the copy of the Council's title to the land in question, provided to your previously, was not of the best quality, therefore the one I have now attached is a better quality certified copy of the deed.

I have now attached these copies to you and once again please accept my apologies.

Yours sincerely,

Alun Williams
