Mr Jonathan Garbett

E-mail: See below Date: 1 May 2019

Dear Mr Garbett.

Your six correspondences dated 15 February 2019 have been considered to be requests for information in accordance with the Freedom of Information Act 2000 (FOIA). You requested the following information:

FOI2019/02109 (request-552810-afced486@whatdotheyknow.com)

In the MoD report "The Defence Equipment Plan 2018" a graph is provided on page 22 entitled "Navy Command Equipment Plan outturn and Allocated Budget". Can I ask for a list of all the Cat A and B projects included in each of the categories shown on the graphs.

FOI2019/02110 (request-552812-2c58ec64@whatdotheyknow.com)

In the MoD report "The Defence Equipment Plan 2018" a graph is provided on page 24 entitled "Army Command Equipment Plan outturn and Allocated Budget". Can I ask for a list of all the Cat A and B projects included in each of the categories shown on the graphs.

FOI2019/02111 (request-552813-03333a8f@whatdotheyknow.com)

In the MoD report "The Defence Equipment Plan 2018" a graph is provided on page 26 entitled "Air Command Equipment Plan outturn and Allocated Budget". Can I ask for a list of all the Cat A and B projects included in each of the categories shown on the graphs.

FOI2019/02113 (request-552814-5eb74629 @whatdotheyknow.com)

In the MoD report "The Defence Equipment Plan 2018" a graph is provided on page 28 entitled "Joint Forces Command Equipment Plan outturn and Allocated Budget". Can I ask for a list of all the Cat A and B projects included in each of the categories shown on the graphs.

FOI2019/02114 (request-552815-d28f12d2 @whatdotheyknow.com)

In the MoD report "The Defence Equipment Plan 2018" a graph is provided on page 30 entitled "Defence Nuclear Organisation Command Equipment Plan outturn and Allocated Budget". Can I ask for a list of all the Cat A and B projects included in each of the categories shown on the graphs.

FOI2019/02115 (request-552817-5f2d9a7a @whatdotheyknow.com)

In the MoD report "The Defence Equipment Plan 2018" a graph is provided on page 32 entitled "Strategic Programmes Equipment Plan outturn and Allocated Budget". Can I ask for a list of all the Cat A and B projects included in each of the categories shown on the graphs.

A search for the information has now been completed within the Ministry of Defence (MOD), and I can confirm that information in scope of your request is held. We have retrieved the relevant Cat A and B projects as recorded in the data sets held on the department's specific financial system Planning, Budgeting and Forecasting (PB&F) that was used to produce the relevant graphs.

Section 24 (National Security) and Section 26 (Defence) have been applied to some the information because the information would prejudice or is likely to prejudice the UK's national security strategy and the capability. effectiveness and security of British forces. Sections 24 and 26 are qualified exemptions and are subject to public interest testing which means that the information requested can only be withheld if the public interest in doing so outweighs the public interest in disclosure.

The balance of public interest was found to be in favour of withholding the information given that, overall, the public interest is best served in not releasing information that would prejudice the UK's national security strategy or releasing detailed information on specific equipment programmes that could allow enemies to draw conclusions about Armed Forces capabilities which would prejudice the capability, credibility, effectiveness and security of British forces. For these reasons I have set the level of prejudice against release of the exempted information at the higher level of "would prejudice".

Please find at Annex A the information you have requested minus the entries covered by the exemptions listed above.

If you have any queries regarding the content of this letter, please contact this office in the first instance.

If you wish to complain about the handling of your request, or the content of this response, you can request an independent internal review by contacting the Information Rights Compliance team, Ground Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.uk), Please note that any request for an internal review should be made within 40 working days of the date of this response.

If you remain dissatisfied following an internal review, you may raise your complaint directly to the

Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please not
that the Information Commissioner will not normally investigate your case until the MOD internal review
process has been completed. The Information Commissioner can be contacted at: Information
Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website at https://ico.org.uk/ .

I hope you find this helpful.

Yours sincerely,

Defence Resources Secretariat
