

Project Title	CEEP	Project Number	371833 NDEE CEEP
Project Manager		Project Director	
Project Info	CEEP Project - Energy Consumption Summary ITMC Volume 1 - Appendix 4		

Date	14 December 2016
Revision	A

Prepared by	Checked by	Prepared by	Checked by	Approved by
RS	AW	RS	AW	SS

Building Information		2015 / 2016 Energy Consumption																																																																		
		Electricity		Gas		Gas Oil			Biomass			Total Cost (£)	Consumption Dates																																																							
Authority	Building / Campus	Consumption (kWh)	Consumption (£)	Consumption (kWh)	Consumption (£)	Consumption (Litres)	Consumption (kWh)	Consumption (£)	Consumption (kg)	Consumption (kWh)	Consumption (£)																																																									
North East Scotland College	Gallowgate																																																																			
	Altens																																																																			
	Clinterty																																																																			
	Gordon Centre																																																																			
	Fraserburgh																																																																			
	Total																																																																			
Edinburgh College	Granton Main																																																																			
	Granton Nursery																																																																			
	Midlothian																																																																			
	Milton Road - Main																																																																			
	Milton Road - Club																																																																			
	Sighthill Main																																																																			
	Sighthill Sports																																																																			
	Sighthill creative																																																																			
	Marine Drive																																																																			
	Total																																																																			
Borders College	Galashiels																																																																			
	Hawick																																																																			
	Newton St Boswells																																																																			
	Total																																																																			
Newbattle Abbey College	All																																																																			
West Lothian Collehe	All																																																																			
Total for All Authorities																																																					16,736,497.73	£	1,673,649.77	27,319,843.54	£	682,996.09	220,291.00	2,379,142.80	£	118,957.14	8,000.00	38,400.00	£	1,920.00	£	2,477,523.00

- Comments:
- 1 All consumption information for each Authority can be found in the respective Authority Data Pack
  - 2 Unit energy prices and conversion factors are indicated below:

Unit Price of Energy (£/kWh)	
Electric	0.1
Gas	0.025
Wood	0.05
Gas Oil	0.05

Unit Conversions		
Fuel	Conversion of	Conversion Rate
Gas Oil	litres/kWh	10.8
Wood	kg/kWh	4.8
