Response

The Council's contract register provides details of the information you have requested on the support, maintenance and implementation services for the systems listed above.

The contract titles, description, periods, re-tender dates, contract values and contacts are included in the contract register. The contract register can be found on the Corporate Procurement Internet page:

<http://www.sunderland.gov.uk/index.aspx?articleid=423>

The attached document titled 'SCC Procurement Systems Overview v3' provides information on how to register for opportunities with Sunderland City Council. If you would like to contact the Council's Corporate Procurement department the email address is procurement@sunderland.gov.uk.

I hope this is satisfactory. If, however, you are dissatisfied with our response to your request for information, you may request a further review. This will be removed from the Directorate and coordinated by the Council's Information Manager. A request for further review should be addressed to the Information Manager, PO Box 100, Civic Centre, Sunderland, SR2 7DN.

If this fails to resolve your concerns then you have the right to apply to the Information Commissioner for a decision.

Yours sincerely
