Dear Ms Jack

Thank you for your request for information made under the Freedom of Information Act (FOIA) 2000, relating to tenants affected by welfare reform.

I am afraid Kent County Council does not hold the information you have requested as in Kent, welfare reform is the responsibility of the district councils and Medway Council, a unitary authority, not the County Council. I have provided some links below which I hope will be of assistance not only in explaining who does what but also to help you contact the appropriate authorities.

if you are unhappy with this response, and believe KCC has not complied with legislation, please ask for a review by following our complaints process; details can be found at this link <http://www.kent.gov.uk/about-the-council/contact-us/complaints-and-feedback> on our website. Please quote the reference number 999933 in any future communications.

If you still remain dissatisfied following an internal review, you can appeal to the Information Commissioner, who oversees compliance with the Freedom of Information Act 2000. Details of what you need to do, should you wish to pursue this course of action, are available from the Information Commissioner's website <http://ico.org.uk/concerns>

Yours sincerely

Peter Wylie
