Subject: JSP850 Wild Cycle Trails

Sensitivity: Normal

Morning

Below is for our discussion this morning and how I see the future input from the business on changes to the JSP850 when it is in common use. Discussion for thoughts before next weeks team meeting (believe this weeks will be tied up with KiD upload) on how we can manage the updates.

Within Public Access and Recreation

1. Under **Scope** add link identified in yellow to attached

The DIO Environmental Support and Compliance Access and Recreation Team (DIO ESC ART) is responsible for ensuring the adherence of all policy, **guidance** and standards relating to public access and recreation.

- 2) Under **Unauthorised PROW** add link identified in yellow to attached

To safeguard against the likelihood of a claim for a statutory PROW appropriate steps are to be taken to ensure:

- MOD boundaries are suitably monitored and managed to deter and prevent **inappropriate public access**,
3. Under **Other Information Table** add attached which above is linked to.

Due to covid-19 I am working from home until further notice.

In line with the latest guidance, I am working offline where possible to ease the pressure on the IT network, so I will only be checking emails and Skype periodically. This means I might not respond as promptly as usual, so if you need my attention more urgently, please call me on [REDACTED]

I am currently working flexibly so, if you receive this email at a time of day that is outside your regular working pattern, please do not feel that you need to respond or take any action outside of your own working hours.
