Dear Ms Wilde

Freedom of information internal review request – Executive Salary Benchmarking

I write regarding your request for an internal review of our response to your Freedom of Information request and requests for additional information.

I confirm that we have reviewed our earlier response.

Having reviewed the information held by GCRB that is relevant to your request against FOI(S)A, we believe our original response was correct.

However, while job descriptions were exempt at the time of our original response under Section 30 of FOI(S)A, these may now be disclosed, and are attached.

A small number of other records are held that are relevant to your requests. These remain exempt under Section 30 of FOI(S)A for the time being, however, we would point out that these are intended for future publication and that this will be within twelve weeks (with reference to FOI(S)A S.27).

If you are not satisfied with the result of the review, you then have the right to make a formal complaint to the Scottish Information Commissioner.

Yours sincerely,

Penny Davis
GCRB
