Dear Mr Todd

I refer to your request under the Freedom of Information Act 2000/Environmental Information Regulations 2004 for information about a Walking, Cycling & Horse Riding Assessment & Review (WCHAR) for the New Monks Farm development (Adur, West Sussex).

An Exemption file note produced in accordance with HD42/17 Figure 2/18 does not exist and there is no expectation one will be produced. We do expect that a WCHAR Review Report will be carried out before commencement of detailed design as required by para 2.12(a) of HD 42/17. This will build on the assessment of NMUs carried out in the attached note of November 2016 from the developer's consultants Vectos, which predated the publication of HD 42/17.

If you have any queries about this letter, please contact me. Please remember to quote reference number CRS 767,146 in any future communications.

If you are unhappy with the way we have handled your request you may ask for an internal review. Our internal review process is available at:

<https://www.gov.uk/government/organisations/highways-england/about/complaints-procedure>

If you require a print copy, please phone the Information Line on 0300 123 5000; or e-mail info@highwaysengland.co.uk. You should contact me if you wish to complain.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at:

Yours sincerely
