

Freedom of Information Request 1377 - 17

I would like to get the figures on your expenditure on vehicles.

- 1. How much is the British Transport Police charged for their "response vehicles"? A whole figure or seperate figure is acceptable?**
- 2. Who is the current supplier(s) for these vehicles?**
- 3. How much cheaper or expensive was the next supplier(s) that offered a deal?**
- 4. Why was the current use of vehicle chosen over the supplier(s)?**

RESPONSE

1. Based upon 2017-2018 British Transport Police have spent a total of £208,352.50 on response vehicles.
2. The current supplier for these vehicles is Vauxhall.
3. No information held.
4. No information held.
