# Your booking has been changed

Dear Dr Hunt,

**Booking reference: Q6XPXG**

## Change booking email

Your booking with British Airways has been changed; please see the details of this change below.

If the payment cardholder is travelling, you must bring the card used to pay for this booking to the airport with you, for verification, before you can travel.

## What to do next

Visit [Manage My Booking](#) and print "Your Itinerary", a customer friendly up-to-date summary of your booking. We suggest you take this with you on your trip, as some authorities will need to see a printed flight itinerary.

We also recommend the following services to help you get the most out of your journey:

### **AirPortr baggage check-in and delivery**

Check your bags in from the convenience of your home, office or hotel, or get your bags delivered from the airport to your door. Available from £20.

### **Pay to take extra checked bags**

Save on extra baggage charges by pre-paying on [ba.com](#) before check in. After you are checked in, you can only pay for extra bags at the airport.

### Order your in-flight meal

Choose your main meal in advance and start looking forward to dining on-board.

### Pay to choose your seat in advance

Use our seat map to find, reserve and pay for your seat in advance.

This is only a selection of the services available for you in Manage My Booking. To use these, or to see what else is available please click below.

The button below will take you directly to your booking. As it provides direct access, please only forward this email if you want the recipient to access your booking and the related services.

## Your e-ticket receipt

Dear Dr Hunt,

Booking reference: J9YT6S

Thank you for booking with British Airways.

Ticket Type: e-ticket

This is your e-ticket receipt. Your ticket is held in our systems, you will not receive a paper ticket for your booking.

If the payment cardholder is travelling, you must bring the card used to pay for this booking to the airport with you, for verification, before you can travel.

### What to do next

Visit Manage My Booking and print "Your Itinerary", a customer friendly up-to-date summary of your booking. We suggest you take this with you on your trip, as some authorities will need to see a printed flight itinerary.

Please check the details of the items purchased are correct. If you have made a mistake, you may cancel your flight booking and claim a refund without penalty, up to 24 hours from when you made the original booking. Refunds under these circumstances can only be requested by calling our contact centres.

#### More information

We also recommend the following services to help you get the most out of your journey:

### **Add Advance Passenger Information (API)**

Please enter your passport and contact details now, which are required by government authorities, before you can fly.

### **Pay to take extra checked bags**

Save on extra baggage charges by pre-paying on [ba.com](http://ba.com) before check in. After you are checked in, you can only pay for extra bags at the airport.

### **Generous baggage allowance**

Take full advantage of your free allowance on your British Airways operated flights, of 2 hand baggage items and one checked bag. Find out exactly what your baggage allowance is.

### **Valet parking**

Drive straight to the terminal door, have your car parked for you, and then returned to you when you arrive back.

This is only a selection of the services available for you in Manage My Booking. To use these, or to see what else is available please click below.

The button below will take you directly to your booking. As it provides direct access, please only forward this email if you want the recipient to access your booking and the related services.
