In that response, we advised you that any bonuses paid to the Chief Executive/Executive Team are published in the Trust's Annual Report and we provided a link to the report on the Trust website.

You have looked at the report and have not found the remuneration details broken down between salary and bonus payment in the remuneration report. You state that it is shown as one figure only.

You are therefore requesting that we:

- a) give you the information from your original request or
- b) indicate the page in the Annual Report where this information is given

We will review our response to your information request and we will write to you as soon as possible. If for any reason it becomes apparent that there could be a delay in responding to your review request, we will keep you fully informed.
