**IV. Health Information**

I the undersigned certify that the goods described above meet the following requirements:

- 1 they are derived from animals which have been subjected to ante-mortem and post-mortem inspection under veterinary supervision and found to be free from any clinical evidence of notifiable infectious or contagious disease including foot and mouth disease, rabies, anthrax, tuberculosis, brucellosis, erysipelas, Aujeszky's disease and swine vesicular disease;
- 2 they are derived from meat that has been inspected and found to be fit for human consumption;
- 3 they have been dressed, prepared and packed under hygienic conditions in accordance with regulations at present in force in the United Kingdom;
- 4 based on the results of random sampling at slaughterhouses in the United Kingdom it can be considered that the meat, from which the products derive, does not contain residues exceeding the limits permitted within the EU, which do not occur naturally in the meat and which may have a hormonal or anti-hormonal effect.
