Dear Mr Wolf,

Thank you for your Freedom of Information (Fol) internal review request received on 21 April 2015. Please accept my apologies for the delay in responding. You requested that we:

‘send documents as individual attachments not embedded in another document.’

In response to your request, I can confirm that the handling of your original request and response has now been appropriately reviewed and that I was unconnected with the handling of your original request.

As a result of this review I can advise that I find the original decision to be partly correct. Your request for review is therefore partially upheld. The reasoning behind this decision is as follows:

Although the Department does hold information falling within the scope of your original request and this was supplied, not all the documents were in an accessible format as you rightly point out. Therefore, the information that you request is reattached in the correct format.

If you have any queries about this letter please contact the Department quoting the reference number above.

Yours sincerely,

DWP Strategy Fol Team
