**APPENDIX (A10.6) EXTERNAL EXAMINER ANNUAL REPORT FORM – examiners in the final year of their appointment**

**Durham University**  
**External Examiner Annual Report Form**  
[www.durham.ac.uk/external.examiners/](http://www.durham.ac.uk/external.examiners/)

The University is grateful to its external examiners for their completion in full of this report. The report consists of questions where external examiners are asked to choose from a fixed range of responses, and questions where free text comments are requested. In respect of the latter this form includes a number of prompts for consideration/discussion as 'greyed out' text. These are intended to be suggestive rather than prescriptive, and external examiners are invited to comment on any issue they feel is relevant. To complete the free text questions, please click on the relevant section and you will automatically 'over-type' 'greyed-out' text.

External Examiners should feel free to make any comments they wish, including observations on teaching, module/programme structure and content, and degree schemes as well as assessment procedures. As the reports of external examiners are discussed widely within the University, we should be most grateful if external examiners would ensure that individual staff members or students are not referred to by name in their reports. Reports will normally be available for discussion widely within the University (including with student representatives via staff-student consultative committees), and may also be requested by certain external bodies, including the Quality Assurance Agency. An additional separate and confidential report may be sent to the Vice-Chancellor if the examiner considers this to be appropriate.

In accordance with the practice at most universities, payment of the examiner's fee is conditional upon receipt of satisfactorily completed Annual Report Forms and at the end of term of office of the separate final report. External examiners are requested to submit their forms within 4 weeks of the final meeting of the Board of Examiners.

*Note: moderators of undergraduate programmes in Combined Honours and Natural Sciences are asked to complete only the sections of this form which are applicable.*

**4. Please comment on the quality of students' work, the quality of the awards made (including the classes for undergraduate degrees and distinction for postgraduate degrees) and comparability with other institutions.**

The sample of work reviewed evidenced thorough and consistent marking and moderation with clear justification for the marks awarded. I was impressed with how confidently the students had engaged with the academic commentary, case law and primary law and with the clarity of their presentation.

I was slightly disappointed with two of the dissertations I reviewed this year which I would have recommended lowering by around 10% had I been authorised to do.

### MANAGEMENT OF THE ASSESSMENT PROCESS

**5. Please comment on the management of the assessment process, e.g. the provision of samples of student work, the operation of the Board of Examiners and the level of involvement of the external examiner in the assessment process.**

I am entirely satisfied with my level of involvement in the entire assessment process. The guidance was very clear and the process efficiently managed. The provision of sample questions/guidance at an early stage was very useful. Notwithstanding the concerns I raised about the inflated marks of two of the dissertations I reviewed, I am satisfied that the students were treated equitably and that the internal moderation and review protocols were fully adhered to.

### PROGRAMME(S) DESIGN AND OPERATION

**6. Please add any comments on other aspects of the learning, teaching or assessments of the programme(s). These may include: curriculum design; modes of learning, teaching or assessment; learning resources; links between research and**

teaching; suitability of the programme as preparation for study at the next level (Masters or PhD as appropriate); suitability of the programme as a preparation for employment; alignment with the requirements of professional bodies (if applicable).

### FURTHER COMMENTS – OPTIONAL

**10. If you wish to provide any further comments, in relation to the questions above, or to provide additional information not covered in this form, please feel free to do so in the box below.**

It has been a pleasure to act as external for a second year at Durham. I was extremely impressed with the quality of the students' work which is testament to the high standards of teaching evident in each of the modules I reviewed. The assessment process itself was administered extremely efficiently and I am grateful to the support staff for sending materials to my home address and accepting feedback by email. [REDACTED] should be congratulated on his management of the entire process and for maintaining open and regular communication with the externals throughout the year.
