Dear R Harrison

Re: Freedom of Information Request

Thank you for your email of 20 September 2017. You made the following requests for information:

Please provide a list of all organisations and individuals that you have provided funding, research grants, or educational grants to in the years 2014, 2015, 2016, and 2017 listing the name, date, and amount for each incidence

Cafcass does not provide research grants or educational grants to organisations or individuals.

Cafcass is publicly funded and is sponsored by the Ministry of Justice. In order to fulfil its functions Cafcass works with the Ministry of Justice to commission services from partner organisations that assist families and children. These services support the work of Cafcass Operational Teams working in private law cases. The services commissioned are Child Contact Interventions (CCI) (supervision and intervention in child contact), the Separated Parents Information Programme (SPIP), and the Domestic Violence Perpetrator Programme (DVPP). Cafcass also grant funds to many supported contact centres as part of our commissioned services work. The funding for these services is also provided by our sponsor, the Ministry of Justice.

Financial information on the funding of commissioned services work can be found in the [Cafcass Annual Report and Accounts](#) on our [website](#).

Please provide a list of all organisations and individuals that have provided you with funding, research grants, or educational grants in the years 2014, 2015, 2016, and 2017 listing the name, date, and amount for each incidence
