Mr David Holland

21 January 2013

Dear Mr Holland

**ENVIRONMENTAL INFORMATION REGULATIONS 2004 – INFORMATION
REQUEST (Our ref : FOI_12-151)**

We write further to our letter dated 6 December 2012, which was sent to you in response to your request for information dated 7 November 2012.

You will be aware from a letter dated 18 January 2012 from the University's solicitors to the Information Tribunal on another matter, copied to you directly, that on 17 January 2013 the University located an unsigned version of Professor Briffa's statement. From that letter, you will understand the circumstances in which the version of the statement was located.

The University has sought to identify whether the document located is the final, dated version of Professor Briffa's statement and thus it satisfies the terms of paragraphs (1) and (2) of your request. In so doing, the University notes that relevant text is identical to the published extract submitted to the Commons Science and Technology Committee.

The University hold no information to confirm conclusively whether this is the final version of Professor Briffa's statement, but under cover of this letter, a copy is enclosed as a formality.

Yours sincerely

David Palmer
