Dear Ms Bond,

Please find below the information you requested under the Freedom of Information Act.

Your Request:

Could you please also confirm what Gastroenterology training Dr Danya Glaser has undertaken in order to effectively chair meetings and consult with regards to the care of Gastroenterology patients?

We note that Dr Danya Glaser's postal address at the Trust is:

Great Ormond Street Hospital
Safeguarding Department
CP Offices, L3 Main Nurses Home
Great Ormond Street Hospital
Great Ormond Street
London
WC1N 3JH

Therefore, could you please reconfirm Dr Danya Glaser's role is within the Trust, as it would appear from her postal address that she is in fact part of the Child Protection Safeguarding team."

Our Response:

Please Note: Dr Danya Glaser is not a gastroenterologist, and gastroenterology training is not required to chair meetings.

Although Dr Danya Glaser is located in the safeguarding office, she is not a part of the safeguarding team. Dr Danya Glaser is employed by the Trust as a child and adolescent psychiatrist affiliated to gastroenterology. She is not responsible for the management of complex and perplexing presentations; patient responsibility lies with the individual gastroenterology consultant looking after the child.

I trust that the information provided is sufficient and helps to answer any concerns, questions or issues you may have.
