

FOI F12/4877/LG Ms Jackson

In 2011 there were 72 cases closed (relating to 71 unique doctors) which had the following allegations attached:
Clinical Care - Record Keeping - Improper alteration - med recs
Probity - Conduct - Improper alteration of records

Case Outcomes

Decision	# Cases
Conclude	25
Conclude with Advice	19
Grant application	3
Grant Restoration	1
Issue Warning	5
Refer to Hearing	16
Undertakings	3
Grand Total	72

Of the three doctors granted voluntary erasure (grant application), one was originally referred to panel.

FTP Panel Outcomes

15 cases relating to 15 doctors were heard at panel. N.B. One of the cases referred to panel by case examiners was subsequently closed under Rule 28.

Hearing Outcome	# Cases
Conditions	1
Do Not Grant Restoration	1
Erasure	5
No Impairment	3
Suspension	5
Grand Total	15

Of the allegations relating to improper alteration of records/med recs that were considered at panel, one of these was withdrawn and a further four were found unproven.

N.B. A doctor may have multiple allegations considered at panel, some of these may not relate to improper alteration of medical records.
