Dear Mr Beney

Apologies for the delay. I am writing in response to your request for information, received on 24 July 2018:

This request is sent to Gloucestershire County Council since "Fastershire", the partnership with Herefordshire County Council, appears not to be a corporate entity in itself, simply a partnership between the two county councils. Since this request concerns an area in Gloucestershire it is being sent to Gloucestershire County Council.

Please provide information you have in respect of the planned installation of Gigaclear cabling in the area covered by postcodes which begin with GL56 9. In particular, I am interested in information concerning the intended and actual use of planned road closures (as opposed to the longer periods where such closures are authorised), cable routings etc. and the intended coverage of the eventual Gigaclear installation.

A check has been made here at GCC and with Gigaclear and there is nothing planned at present for the area covered by this postcode.

Gloucestershire County Council has not withheld any information in relation to this request under the exemptions of the Freedom of Information Act 2000 (FoIA).

If you are unhappy with my response, you can complain or ask for a review of your request by writing to us within 40 working days of receiving this response. The full procedure is on our website at [delete as appropriate]
