Mr. James,

Attached are the collated responses received from all 21 Councils I received yesterday

**Filming of
Meetings FINAL.xls**

Very rough estimated costs received for installing a webcam streaming system in our chamber £20K

£1-3K for the link to the web - Neil Woodward

£15k, for providing a connection in the translation booth area ready for a 3 party provider to connect to

The above includes for three cameras, software to interface with Bosch equipment and installation costs up to the booth area. - Len Davies

Diolch / Thanks.
