[FOI Request 2011/03 – F0123683]

Dear Mr McNeel,

**Re: Freedom of Information (Scotland) Act 2002 – Request for Information**

Thank you for your email which was received by the University on 3 February 2011 timed 08:53 hours requesting a Review of our actions as detailed below.

**I am writing to request an internal review of University of Glasgow's handling of my FOI request 'Finance Office expenses for UK travel'.**

**For Robert Fraser you have not provided the requested information. It is obvious that any travel must relate to University business, unless the University of Glasgow subsidises staff travel not related to the University's business. I expect to see a similar response to the one you provided for Fiona Docherty in the following example:**

**<http://www.whatdotheyknow.com/request/17527/response/45048/attach/2/Appendix%20A.pdf>**

**Your interpretation of the Freedom of Information Act in the case of Julie Lee's situation is puzzling. I have not found any reference in the Act that supports your claim that Freedom of Information only applies to senior members of staff.**

**Please review this case.**

**A full history of my FOI request and all correspondence is available on the Internet at this address:**

The University acknowledges receipt of your Request for a Review and confirms that a response to your request for Review will be sent to you promptly; and in any event not later

than 2 March 2011, as required under the terms of FOISA. The University will contact you if the University requires any further information.

Yours sincerely,

Data Protection and Freedom of Information Office
