Fol 2356

Dear Andrew Wilson,

Thank you for your Freedom of Information request received on 14 May 2018.
You asked:

Even when asked by you to create a 'Find a job' account and upload my CV as part of a JSA or transfer to UC claim, without a shadow of a doubt I will never accept 'Find a job' cookies on any DWP controlled device or any associated ISP at a DWP location or or other devices at a library, my home or anywhere else. I am not very happy for any JSA or UC claim to also be associated to my IP address or other online identifiers and for you to ask or expect me to share with you any 'Find a job' record of job applications I make or job search activity or saved jobs history if you can force me to create an account, accept these cookies or upload my CV. So will you then suspend, disentitle or sanction any live in-payment JSA or transfer to UC claim I have due to not wanting to do what you may ask outlined above and why can you do this?

If you want a reply to your request outside of the Freedom of Information Act please send it to FINDAJOB.COMMUNICATIONS@DWP.GSI.GOV.UK
