Dear Requester

Request under the Freedom of Information Act 2000 (the Act)

The council has considered your request which was received on 13 February 2020 and our response to your questions is shown below.

Please could you provide statistics about the number of cases you have recorded of non-Blue Badge holders parking in disabled parking spots in Council-owned car parks and the total amount of fines for these cases for 2018 and so far in 2019.

The relevant contravention is Code 87 - Parked in a designated disabled person's parking place without displaying a valid disabled person's badge in the prescribed manner. See below for the number of Code 87 contraventions in off street surface car parks in 2018 and 2019

2018

- 11 PCNs, 10 paid, 1 cancelled
- Total of fines paid £420

2019

- 2 PCNs, both paid
- Total of fines paid £70

Please note most of the surface car parks do not have marked out bays on them so the enforcement figures are very low.

You are free to use any information supplied for your own personal use.
