Dear Basia

Thank you for your request for the following information:

“Can you detail how many fire doors have been installed in properties under your management that have been supplied by the following companies:

Manse Masterdor

Masterdor Limited

Specialist Building Products Limited, trading as Permadoor

Solar Windows Limited

Birtley Group Limited, trading as Bowater by Birtley

Have you taken any action to remove fire doors supplied by these companies since the Ministry for Housing, Communities and Local Government announced these five suppliers have now been identified as failing to meet requisite fire performance standards.”

This has been processed under the Freedom of Information Act 2000. In response, we have identified 41 doors fitted by Masterdor Limited. We are waiting on a government update with regards to their recommendations and we will react accordingly.

Please note that you are free to use the information supplied to you by the Act for your own personal purposes or non-commercial research, private study or news reporting. However, by making copies, publishing or distributing the information without the consent of the holder, which in most cases will be Hinckley & Bosworth Borough Council, you may be infringing copyright.

If you are dissatisfied with the handling of your request, you may write to: Julie Kenny, Director of Corporate Services, Hinckley & Bosworth Borough Council, Hinckley Hub, Rugby Road, Hinckley, Leicestershire, LE10 0FR.
