

FOI 252/21 First Names

Under the Freedom of Information Act I request:-

I would like to request the first names of anyone charged with a crime within the 2019/2020 financial year. Specifically, I would like the first, given name of people charged within your police force area during this time period. I understand that some names may be unique so may risk identifying individuals, so I am happy for those names to be omitted.

Please let me know if you have any further questions or require further clarification

Notes The above constitutes a list of first names of those charged with offences.
Coupled with this is a count of the number of times each name has been charged.
Please note that this is a count of individuals.
As such, should one person have been charged multiple times, their name would appear once in the above count.
