Dear Mr Lobb

Thank you for your Freedom of Information request received on 27th July 2018. You asked:

So basically you are admitting deliberately hampering my evidence gathering for tribunal by refusing to give me information that I can follow up on seeing as you don't follow up on it.

May I in that case report that you have now breached your data protection policy by submitting the closure report along with the reasons the PP gave to you and I have had sight of it. Furthermore I have followed that information up and proved what the PP told you to be lies.

Are you just incompetent or downright lazy? Please remind me what you stand for again?

DWP Response:

I am of a senior grade to the person who dealt with your request I was not involved previously, and can confirm that I have carried out an internal review.

I am content that your original request was dealt with and information provided, in line with guidelines for Fol requests, therefore I do not uphold your request.

Yours sincerely,
