**Decision**

I am not obliged to provide you with a response to your request pursuant to Section 12(1) of the Freedom of Information Act 2000 (the Act). Please note that when one part of your request falls under Section 12, we are not obliged to review the rest of the questions and the whole request is therefore exempt.

Section 12(1) applies to your request as the cost of complying with your request is above the amount to which we are legally required to respond i.e. the cost of identifying and retrieving any relevant information exceeds the 'appropriate level' as stated in the Freedom of Information (Appropriate Limit and Fees) Regulations 2004.

Due to the nature of our recording systems the information requested, if held, is not in an easily retrievable format. For questions 5 and 6 we would be required to manually read each incident with a 'COVID19 INT' tag to ascertain the reason for the tag, if the person was contacted and the reason for this contact. We would also need to review the incidents to determine if a caution was issued for Covid-19 offences to answer questions 3 and 4. This would involve reading over three hundred incidents which would exceed the time limit allowed under the Act.

Pursuant to Section 17(5) of the Freedom of Information Act this letter acts as a Refusal Notice.

Pursuant to Section 16 of the Act I am required to offer you advice and assistance with regarding to refining your request to within the 'appropriate limit' (time/cost limit). You may wish to omit questions 3-6 from a future request. If you wish to discuss this please do not hesitate to contact me.

Please note that systems used for recording information are not generic, nor are the procedures used locally in capturing the data. It should be noted therefore that this force's response to your questions should not be used for comparison purposes with any other responses you may receive.
