Dear Mr Tomkinson

RE: - REQUEST FOR INFORMATION UNDER THE FREEDOM OF INFORMATION ACT 2000

In response to your request for information under the Freedom of Information Act received by Rochdale Council on 21/02/2020, please see the below response in relation to your queries:

Question:

I am requesting the floor plans (internal & external) for the now demolished Thornham Middle School also known as Hill Top Primary school and most recent, BBCs Waterloo Road rented out the site. Please could you send over the internal and external floor plans, also requesting floor plans for the Rochdale Council Building which was situated next to it which has also been demolished.

Response:

Further to your freedom of information request I attach the plans we have of the former Thornham Middle School (now demolished). This building subsequently became Hill Top Primary School, hence the plan designations.

We can trace no plans of the original Hill Top Primary School. You will appreciate that it is some years since the property was demolished, in which time the Council has significantly rationalised its records.

We feel that we have fulfilled your request. However, please see the details on our website if you are unhappy with the service you have received in relation to your request, wish to make a complaint or appeal against any decision we have made in response to your request.

Should you have any queries, please contact me.

Yours sincerely

Business Support Officer
