Dear Mike,

Wildlife and Countryside Act 1981 - Section 53

Claimed Public Footpath running from Wises Lane opposite ZR120 to its connection with Public Footpath ZR119 at Borden

I acknowledge receipt on 17 August 2022 of your application dated 16 August 2022, for an Order under Section 53(2) of the Wildlife and Countryside Act 1981, modifying the Definitive Map and Statement for the area, by adding a Public Footpath running from Wises Lane to Public Footpath ZR119 at Borden.

Your application has been added to the County Council's Schedule of Applications and given the Reference Number **PROW/SW/C510**, which should be quoted in future correspondence.

Please can you now serve Notice (Schedule 8) on all landowners and occupiers and when this requirement has been complied with, please certify that fact to the authority using Schedule 9.

As you are aware the County Council has received an application to add a Public Footpath running from ZR120 to Cryalls Lane (application C408) which is in close proximity to this claimed path and as both applications are affected by a proposed planning application, it has been decided, in line with our Statement of Priorities, to take this case out of sequence.

I look forward to receiving Schedule 9 and I will then allocate your application to [REDACTED] as [REDACTED] has just recently been allocated application C408.

Kind regards
